

Internet Kiosk & Wireless HotSpot Hire

Short-term internet kiosk and wireless hotspot hire is ideal for conventions, functions, expos, conferences, trade shows, and training courses. They can be used to deliver product demonstrations, conduct training, accept registrations, marketing, or simply provide internet access.

You can hire internet kiosks, information kiosks, wireless hotspots, and touch-screen kiosks.

Overview

Arinda now offers several Surf Easy products for hire, including:

- ✚ Surf Easy Internet Kiosks (free or pay-per-use via coin, note or tickets)
- ✚ Surf Easy Information Kiosks (ideal for registrations, product info, and training)
- ✚ Surf Easy Wireless HotSpots (ideal for internet or promotional activities)

Applications

Interactive – Functional - Affordable

Here are just some of the ways that the hire equipment can be used:

- ✚ Fully operational internet kiosk with business centre, with either free or paid use.
- ✚ Information kiosks with restricted internet access (you can limit access to particular websites) and with optional touch screen, making it ideal for accepting registrations, promoting your website, marketing, advertising, demonstrating products, and delivering training programs.
- ✚ Wireless hotspots for linking stalls and stands at an expo, for training rooms, as a marketing tool with free advertising based internet access, or for offering pay-per-use internet access.

Inclusions

- ✚ Configuration to your specific needs. Everything is shipped ready to “plug and play”.
- ✚ Delivery and pickup via national courier (you will need to repack for return shipping).
- ✚ Free on-call technical support available 7 days from 8am to 8pm.
- ✚ Optional on-site installation assistance and training.
- ✚ Optional branding of the internet kiosks with your logo.
- ✚ Optional items such as choice of colour, coin and note acceptors, ticket printers, touch screens, and much more.

Rates
